Greetings!

I am excited to share with you an event that we are currently in the process of planning to happen in the city of Fort Meade. My Fort Meade First Church of God is planning to have the 1st annual Bike Fest on September 16, 2017 from 10:00 – 5:00 PM. We are very passionate about creating a better city for the residence of Fort Meade to call home. As a church, we are committed to creating a prosperous and flourishing city. We believe that Fort Meade is in a great position to flourish and we seek as the church to do everything within our power to make that dream come true!

With this idea in mind we would like to ask for your support in helping us with this venture. We have big dreams for this event and desire to make it a time to give local businesses a chance to gather and have another stream of revenue for their hard work. We have offered any local business a chance to have first pick of vendor spots at no cost to them. We also believe this event will draw in vendors and businesses from outside the community. We are striving to be a church (just one of many) that Fort Meade cannot do life without. We believe this event will be the first of many to help make this happen. It would be great if you would consider any kind of support possible to help us offset the cost of this event and gathering.

We will also be raising funds during this event through poker runs and give-a-ways to support homeless veterans in our own community and county. We have a strong desire to make the world a better place. To borrow from the words of Edward W. Bok's grandmother, "Make you the world a bit better or more beautiful because you have lived in it." This is our desire for our community. To make it a bit better because we are here.

I appreciate your taking the time to read this letter. Should you have any questions please feel free to call my office or email me at pastortravis@myfortmeadefirst.org. We look forward to partnering together to see Fort Meade be a bit better because we are here!

Blessing!

*Also, seek the peace
and prosperity of the
city to which I have
carried you into exile.
Pray to the Lord for it,
because if it prospers,
you too will prosper.*
