

THE CITY OF FORT MEADE, FLORIDA

RFP 21-03

**Proposal for ADA Compliant Entrances at  
Three City Buildings**

**ADDENDUM #1**

**Date of Issue: May 20, 2021**

**Page 5-6 of RFP 21-03 Proposal for ADA Compliant Entrances at Three City Buildings is hereby amended as stated below:**

**1. Page 5 – Community Center:**

The selected firm will be required to furnish ~~new door~~ and install one battery operated automatic door opener at front entrance of building. Electrical circuit will need to be wired and any necessary permit pulled before work begins.

**2. Page 5 - City Operations Building:**

The selected firm will be required to furnish and install one battery operated automatic door opener, excavate (if necessary) and pour concrete as per specs for ADA compliance with landing and rail at front entrance as per code. Electrical circuit will need to be wired and any necessary permit pulled before work begins.

**3. Page 5-6 – City Fire Department**

The selected firm will be required to furnish and install one battery operated automatic door opener, excavate (if necessary) and pour concrete as per specs for ADA compliance with landing and rail at front entrance as per code. Electrical circuit will need to be wired and any necessary permit pulled before work begins.

**Please sign and date this Addendum and return with your firm's proposal on Friday, June 11, 2021. Proposals shall be received no later than 2:00 PM.**
